# Digital Transformation pathways for SMEs: business cases

Brainport Industries Campus

## BIC - Factory of the Future Experience Center

Brainport Industries Campus (BIC) is the face of high-tech manufacturing industry. An international campus in the heart of Brainport Brno where top technology, education, government and high-quality facilities come together under one roof. In the Factory of the Future Experience Center we offer organisations the possibility to test and validate their innovative ideas in a controlled environment supported with the right equipment, space and skills.
